*Master pastelists,  
Jean Hirons*

*September Light*

*Perfect  
Day*

Join Jean Hirons for a three day plein air pastel workshop this Fall. Jean's philosophy is that the finished painting is what is most important, not the technique used to accomplish it, and she brings this philosophy to her teaching and presentations on pastel.

The workshop will run from 10 am to 3 pm, starting on Thursday, September 30, through Saturday, October 2. If weather is inclement, it will be held at the WAG building, 1740 Main Road in Westport.

The fee is \$125.00 for members of WAG, and \$150.00 for non-members. First come-first served!

Jean is a signature member of the Pastel Society of America, the Maryland Pastel Society, and the Pastel Painters' Society of Cape Cod. She is a native of Mattapoisett, now residing in Rockville, Maryland. She works solely in pastel, loving the intimacy of the medium and the vibrancy of the pigments. She focuses on landscape, seeking underlying abstract patterns of value and color. She is particularly interested in capturing the feel and mood of a scene, as well as the rhythm of shadow and light. She prefers the softest of pastels and works on sanded pastel papers and on textured boards that she prepares herself.

Jean travels to Mattapoisett twice a year to visit family. In the summer she paints on site; at Christmas she takes photos for studio work. She has been painting scenes of Mattapoisett and the South Coast for over twenty years.
